----- START TRANSMISSION -----

YOUR FORCES APPEARS TO NOT BE FULLY INEPT. I HOPE THIS IS INDEED TRUE.

YOU MAY REFER TO ME AS DORIAN. I REPRESENT AN ORGANIZATION THAT IS LOOKING FOR COMPETENT FORCES TO EMPLOY. YOUR FORCE MAY BE ADEQUATE.

CONTACT ME IF YOU WISH TO UNDERTAKE EMPLOYMENT. OPERATING COUNTER TO OUR PURPOSES WILL BE DANGEROUS FOR YOUR FORCE.

----- END TRANSMISSION -----

----- START TRANSMISSION -----

YOUR FORCES PERFORMED ADEQUATELY ON KALADU IV. WE WILL EXTEND ADDITIONAL SUPPORT TO YOUR FORCES IF YOU CONTINUE TO PERFORM ADEQUATELY.

WE BELIEVE THAT PIRATE FORCES ARE ALSO SPONSORING MISSIONS IN THIS FLEET. HOWEVER, WE HAVE NOT DETERMINED HOW THESE PIRATE FORCES ARE FINANCED. WE WILL PAY A BONUS TO YOUR FORCES IF YOU CAN CAPTURE PERSONNEL WORKING FOR THESE PIRATE FORCES FOR INTERROGATION.

----- END TRANSMISSION -----

The following rule changes are available if you have positive reputation with Faction A and have higher reputation with Faction A than with any other faction.

Game Rule Updates:

- Bounty: Earn 1M C-bills if you capture a pilot or crew for interrogation during a mission against forces aligned with Faction B. After the interrogation, you may ransom or retrain the captured personnel, as normal. This may only be awarded once per mission.
- Special Supplies: The following units are available at cost. They are considered on your faction list for the purposes of force management as long as you have positive reputation with Faction A and have higher reputation with Faction A than with any other faction.
  - Stinger IIC [any variant]
  - Gossamer (Combat Vehicle) [any variant]
