INTERSTELLAR EXPEDITIONS 'CONVOY'

INTERSTELLAR EXPEDITIONS FACTION CONTACT

--------------------------- START TRANSMISSION ---------------------------

CONGRATULATIONS ON YOUR PERFORMANCE IN THE TOURNAMENT! I'M COL BROOKLYN
RIVIERA, INTERSTELLAR EXPEDITIONS' MERCENARY COORDINATOR FOR THIS MISSION.
DON'T WORRY — I AM NOT JUST A PENCIL PUSHER. MY UNIT, DIE LEIBWACHEREN,
PROVIDES INFANTRY SUPPORT TO GUARD DIG SITES AND PROTECT IE PERSONNEL.

I'M LOOKING FOR UNITS THAT CAN HELP ME KEEP THE PEACE IN THIS FLEET. WITH
COMPETING BENEFACTORS, THERE WILL BE CONFLICT AND SOME AMMUNITION THROW
AROUND, BUT I WANT TO KEEP ALL THE FIGHTING PURELY PLANETSIDE. IF YOU HELP
ME KEEP THE FIGHTING AWAY FROM THE JUMPSHIPS AND KEEP ME UP TO DATE ON WHAT
IS HAPPENING, I CAN GIVE YOUR FORCE PRIORITY ACCESS TO IE SUPPLIES FOR
REPAIR AND REFIT.

JUST LET ME KNOW. IE ISN'T FLUSH, BUT I WILL TRY TO LOOK OUT FOR YOUR FORCE
AS BEST I CAN IF YOU HELP ME OUT.

--------------------------- END TRANSMISSION ---------------------------

---------------------------- START TRANSMISSION ----------------------------

YOUR FORCES HAVE KEPT CONFLICTS OUT OF THE FLEET, WHICH WE GREATLY
APPRECIATE. I HAVE BEEN AUTHORIZED TO RELEASE SOME OLD COMSTAR GEAR TO YOU
AS THANKS FOR YOUR EFFORTS.

CONTINUE TO COLLECT ADDITIONAL INFORMATION AND KEEP THE FIGHTING PLANETSIDE
INSTEAD OF IN THE FLEET AND I WILL SEE WHAT I CAN DO ABOUT GETTING YOU
ADDITIONAL RESOURCES.

---------------------------- END TRANSMISSION ----------------------------

The following rule changes are available if you have positive reputation
with IE.

Game Rule Updates:
  - Scanning: Earn 1M C-bills if you scan at least half of the enemy units
            in a mission against forces aligned with Faction A or B. To
            successfully scan an enemy unit, it must be within range of a
            friendly unit with an active probe or adjacent to a friendly
            unit without an active probe. This counts as objective pay for
            faction reputation.

  - Special Supplies: The following units are available at cost. They are
            considered on your faction list for the purposes of force
            management as long as you have positive reputation with IE.

            - Raptor (any variant)
            - Sprint Scout Helicopter (VTOL) [any variant]
