BATTLETECH: OUTWORLDS WASTES

PRIDE MONTH 2025 - GM Notes

Notes:

GM forces consist of a single Atlas and a mix of Urbanmechs and combined arms units to reach BV/PV parity with the players. These forces may be adjusted to prevent an unwieldy swarm of GM units, but the GM force should largely stick to the 'cop' theme, as this scenario is designed to reflect the Stonewall riots.

The mission bounties assume a combined arms force for the defenders, but the bounties may be adjusted to reflect the personal preferences of the GM and the players. PseudoTech is a good place to look for additional bounties to add to the scenario.

This scenario is intended to be inclusive of all players. It is important to ensure a friendly and welcoming environment for this event.
